

Coach AI - User Documentation Index

Complete Guide to Demonstrating & Using Coach AI

What You Have

Four comprehensive documentation files covering everything:

1. USER_GUIDE.md

Complete Reference (25 pages)

Best For:

- Learning the system
- Training new coaches
- Reference material
- Step-by-step tutorials

What's Inside:

- First-time setup (5 min)
- Generate first practice (3 min)
- Complete team management
- Browse & organize drills
- Track practice history
- Customize settings
- Tips & best practices
- Common scenarios
- FAQ section

Use **When:** Learning Coach AI yourself or training others

2. DEMO_SCRIPT.md

Quick Reference (15 pages)

Best For:

- Live demonstrations
- Quick lookups
- Field reference
- Showing others

What's Inside:

- 3-minute demo script (exact words!)
- Quick reference card (printable!)
- Session type guide
- Common actions cheat sheet
- Demo talking points
- Handling objections
- Demo variations
- Post-demo follow-up

Use When: Demonstrating to other coaches

3. NAVIGATION_WALKTHROUGH.md

Visual Guide (12 pages)**Best For:**

- Visual learners
- Understanding flows
- Training presentations
- System overview

What's Inside:

- First-time user journey (visual flow)
- Quick practice generation flow
- Complete team setup flow
- Drill management flow
- Practice history flow

- Settings flow
- Complete navigation map
- Quick reference table

Use When: Need to see how everything connects

4. DOCUMENTATION_INDEX.md

Master Guide (This File!)

Best For:

- Knowing which doc to use
- Quick decisions
- Getting started

What's Inside:

- Overview of all docs
- How to use them
- Quick decision tree
- Common scenarios
- Getting started guide

Use When: Not sure which document you need

Quick Decision Tree

"Which document should I use?"

Are you...

- └ Learning Coach AI yourself?
 - USER_GUIDE.md (Section 1-2)
 - └ Showing it to another coach?
 - DEMO_SCRIPT.md (3-min demo)
 - └ Presenting to a group?
 - NAVIGATION_WALKTHROUGH.md (visual)
 - └ Training new coaches?
 - All three combined
 - └ Need field reference?
 - Print: DEMO_SCRIPT.md (Quick Ref Card)
 - └ Answering questions?
 - USER_GUIDE.md (FAQ section)
-

Quick Start Guide

Learning Coach AI (30 min)

Week 1:

1. Read USER_GUIDE → "Generate First Practice"
2. Try it yourself
3. Generate 2-3 practices

Week 2:

1. Read USER_GUIDE → "Team Management"
2. Complete team profile
3. Star favorite drills

Week 3:

1. Read USER_GUIDE → "Settings"
2. Customize preferences

3. Reuse a practice

Result: Complete mastery in 3 weeks!

Demonstrating to Others (5 min)

Preparation:

1. Read DEMO_SCRIPT → "3-Minute Demo"
2. Practice once yourself
3. Have Coach AI open

During Demo:

1. Follow script exactly
2. Show practice generation live
3. Highlight intelligence & speed

After:

1. Offer hands-on trial
2. Share USER_GUIDE if interested
3. Follow up

Result: Professional demo every time!

Training New Coaches (30 min)

Part 1: Introduction (5 min)

- Show NAVIGATION_WALKTHROUGH → First User Journey
- Explain experience levels
- Set expectations

Part 2: Hands-On (10 min)

- Follow USER_GUIDE → Setup
- Coach creates team
- Walk through together

Part 3: First Practice (10 min)

- Follow USER_GUIDE → Generate
- Coach generates live
- Review results

Part 4: Resources (5 min)

- Give them USER_GUIDE
- Show in-app Help
- Encourage exploration

Result: Coach productive in 30 min!

Common Scenarios

Scenario 1: First-Time User

What to do:

1. Read USER_GUIDE → "First-Time Setup" (5 min)
2. Follow along in app
3. Read → "Generate First Practice" (3 min)
4. Generate practice for your team

Total: 15 minutes from zero to productive

Scenario 2: Show Assistant Coach

What to do:

1. Open Coach AI
2. Have DEMO_SCRIPT → "3-Min Demo" ready
3. Follow script exactly
4. Generate practice live
5. Offer hands-on trial

Total: 5 min demo + 5 min hands-on

Scenario 3: Club Presentation

What to do:

1. Prepare slides with screenshots
2. Use NAVIGATION_WALKTHROUGH flows
3. Show "First User Journey" on screen
4. Live demo (DEMO_SCRIPT)
5. Share USER_GUIDE with attendees

Total: 20 min presentation + Q&A

Scenario 4: Forgot Something

What to do:

1. Open USER_GUIDE
2. Use Ctrl+F to search
3. Find topic in contents
4. Follow instructions

Total: 2 minutes to answer

Scenario 5: Field Reference

What to do:

1. Print DEMO_SCRIPT → "Quick Reference Card"
2. Keep in coaching bag
3. Glance before practice
4. Follow common actions

Total: 30 seconds to check

Reading Guide by Role

If You're a Coach:

Start: USER_GUIDE → "Generate First Practice"

Focus: Try it yourself, read as needed

Skip: Demo scripts, advanced features initially

If You're a Trainer:

Start: All three documents (skim)

Focus: DEMO_SCRIPT in detail

Practice: The demo

If You're an Administrator:

Start: DEMO_SCRIPT → Overview

Focus: NAVIGATION → System overview

Emphasize: Time savings, consistency, ROI

Documentation Locations

All files in: C:\Users\ljega\Downloads\Coach AI\

1.  USER_GUIDE.md
 2.  DEMO_SCRIPT.md
 3.  NAVIGATION_WALKTHROUGH.md
 4.  DOCUMENTATION_INDEX.md (this file)
 5.  DAY12_ARCHITECTURE.md
 6.  DAY12_SUMMARY.md
 7.  WEEK2_FINAL_SUMMARY.md
-

You're Ready!

You now have:

-  Complete user guide (learn)
-  Demo script (show others)
-  Visual flows (understand)
-  This index (navigate)

Next steps:

1. Choose which doc fits your need
 2. Start with relevant section
 3. Follow along in app
 4. Share with others!
-

Go demonstrate Coach AI to the world! 🎯 🌐 🚀
